EVENT	DATE FOR COMPLETION
<p>6 Warm Up</p> <p>7 DigitalPay emails claimants an initial notice (a 8 “warm up”) that communicates payment is soon 9 coming and provides a date range of when payee will see payment. This email sets expectations and reinforces credibility of the payment to be received.</p>	<p>May 6 to June 4, 2022</p>
<p>10 Phase I: Payment Notification and Receipt</p> <p>11 DigitalPay issues payments (“payment notification”) 12 to claimants via email. From this communication, 13 claimants will be able to select where they would like 14 to receive funds. This action transfers funds from the settlement fund to the possession of the payee.</p> <p>15 Paper Checks Issued</p> <p>16 Claims administrator Epiq to mail paper checks 17 week of April 25, with 60-day expiration.</p>	<p>June 6-17, 2022</p>
<p>18 Payment Expiration</p> <p>19 All digital payments issued in Phase I will expire 20 (each digital payment will expire 35 days from the 21 rolling notification; the vast majority of payments 22 taken will occur in a ~72-hour window from notification). While a payment is active—but has not yet been taken—payees will receive four emails to remind them they have funds waiting.</p>	<p>July 22, 2022</p>
<p>23 Process Payment Exceptions</p> <p>24 Reissue digital payments as necessary and allow a further one week for expiration.</p>	<p>August 1-7, 2022</p>
<p>25 Report Results of Phase I</p> <p>26 DigitalPay and Epiq to identify and report funds that 27 have not yet been taken by payees. Final accounting 28 report and reconciliation will be created, along with</p>	<p>September 2, 2022</p>

<p>Phase II: Second Round Distribution</p> <p>Claims administrator DigitalPay securely delivers a final pro rata payment to all payees who took a payment in the Initial Payment Offering (Phase I). This card is the named property of the payee and delivers live funds. No bank account is required to activate and use any of the cards delivered. This final phase delivers funds to all entitled claimants with the intent of taking the settlement balance as closed to \$0 as possible (except for outstanding physical checks issued by Epiq).</p> <p>Claims administrator Epiq to reissue checks with 30-day expiration to those who did not cash 60 days from first issuance.</p>	<p>September 19-30, 2022</p>
<p>Final Reporting</p> <p>Claims administrator DigitalPay to provide final report regarding the disbursement of the settlement funds.</p> <p>Claims administrator Epiq to identify and report checks that have not been cashed 30 days from re-issuance.</p> <p>Any remaining funds will be distributed to the Attorneys General for the Class jurisdictions for use in prosecuting consumer antitrust claims.</p>	<p>November 18, 2022</p>
